

You are cordially invited to attend the
Health Services Consumer Council

When: Thursday, 8 Nov 2012
Time: 1430 – 1530
Where: CPO (Chiefs) Club, 190 Radford Blvd., Bldg 3558,
(behind the Navy lodge), NAS Pensacola

The purpose of this open forum is to share information that will help us better assist our customers and stay abreast of the many changes/issues that affect our beneficiaries and the military healthcare community overall. We always try to have topics that are interesting and timely for the group to learn about and discuss at each meeting.

One or two key personnel or representative(s) requested per unit/organization to pass along the handouts or information gathered.

We hope that you will take this opportunity to share your views and concerns so that we may continue to be responsive to your needs and provide first-class health care to those entrusted to our care.

***Please direct any questions to Ms. Tara Rettig at (505-6048) or
